Official Letter from President W. W. Roblee

CALIFORNIA MEDICAL ASSOCIATION

Office of the President

Subject:

EXECUTIVE OFFICERS FOR THE COMING YEAR

To Members of the California Medical Association:

The Constitution of the California Medical Association provides in Article X, Section 11, and Article VII, Section 5-D, that the Council, at its organization meeting held after the last meeting of the House of Delegates, shall elect a secretary-treasurer and editor and an attorney, these officers to serve for the ensuing year.

The Council met on May 12 and, after prolonged deliberation, unanimously elected Dr. George H. Kress to the combined office of secretary-treasurer and editor, Mr. Hartley F. Peart as counsel, and Mr. Hubert T. Morrow as associate counsel. This action was reaffirmed at a special Council meeting held in San Francisco on June 11.

For quite some time some of the members of the Council have felt that, if a suitable man could be found, the offices of secretary-treasurer and editor should be combined. As a matter of fact, Doctor Warnshuis was placed on a month-to-month basis at the 1937 (Del Monte) organization meeting of the Council (as noted in the June, 1937, issue of the Official Journal), and a committee was appointed to secure a successor. Several men were approached with reference to the position. After prolonged consideration, both individually and collectively, the Council voted to invite Doctor Kress to fill the combined office, and he accepted the call. Of the twenty-one councilors there were but two absentees when the decision was made. Both Doctor Warnshuis and Doctor Kress have rendered splendid service to the Association, but it was the judgment of the Council that Doctor Kress could more nearly fulfill the requirements of the office. He has been actively engaged in Association and organized medical activities for many years. He is a past president of this Association, and has served on the Council and Executive Committee continuously since 1907, following the reorganization of the State Association in 1902. His service to public health through membership in the State Board of Public Health, to medical education through his office of Dean of the Los Angeles Medical Department of the University of California at Los Angeles, and other activities has been outstanding. His statewide contacts will be
